## INDIAN INSTITUTE OF HOMOEOPATHIC PHYSICIANS

A Brief on IIHP:

Indian Institute of Homoeopathic Physicians is the leading Professional organizations striving for the cause and development of Homoeopathy in India. **Established in the year 1944.** The organization was instrumental in taking up several developmental measures around Homoeopathic practice, Research and quality Homoeopathic education. The organization is known for conducting National Conferences, Scientific Seminars and CME Programs all over the country and abroad. The founders of IIHP are responsible for recognition of Homoeopathy in India.

Nagpur is known for successfully organizing two National Conferences for IIHP and also regular Scientific Seminars every year for the benefit of the Homoeopathic Profession. The organization's main focus is on quality Homoeopathic Education and welfare of the students of the Homoeopathic Colleges.

The forthcoming Scientific Seminar on 11<sup>th</sup> January 2026 deals with classical Homoeopathic practice and also a motivational program for young generation Homoeopaths.

The organizing Committee has invited well-known Homoeopathic luminaries to share their clinical and academic knowledge and expertise with the delegates. The Nagpur Seminar is going to be a memorable one for the participants.

The Scientific Seminar is going to deliberate on the following topics.
